

Will *your* name be on the cover of **the Hellenic Journal**

Dear HJ Friend and Supporter,

Since 1975 the Hellenic Journal (HJ) has been the voice that keeps the Hellenic spirit alive in the western communities. Last fall, we launched the online edition of the HJ at hellenicjournal.org as well as a presence on Facebook, expanding our reach and voice even further.

Being a non-profit organization, the HJ is similar to other quality organizations such as arts organizations and Public Broadcasting Stations, depending heavily on financial pledges from the community at large. In this current economic climate, your pledges and continuing support are greatly appreciated and vital as they provide the HJ with the opportunity to continue to grow and thrive in this fast-paced media world.

Sincerely,

Fanis Economidis
President
